Subject: Interagency Group on International Economic Policy (IG-IEP) - Agenda: NSSD-3:83; Approach to the International Debt Situation, a Policy Overview.

Attached are copies of the reports of the four working groups, which my memorandum of April 14 indicated would be circulated separately. Also attached is a revised version of page 1 of the draft report of NSSD-3, adding a line which was inadvertently dropped. Copies of both the working group reports and the revised page 1 were made available at today's meeting of the IG-IEP.
